

**Form 45-106F19**  
***Listed Issuer Financing***  
***Document***

**INSTRUCTIONS**

**1. Overview of the offering document**

This is the form an issuer must use as the offering document for a distribution under section 5A.2 of the Instrument. In these instructions, the form is also referred to as the “offering document.”

The objective of the offering document is to provide information about the offering.

Present information in the offering document using a question-and-answer format.

**2. Incorporating information by reference**

Do not incorporate information into the offering document by reference.

**3. Plain language**

Use plain, easy to understand language in preparing the offering document. Avoid technical terms but if they are necessary, explain them in a clear and concise manner.

**4. Format**

Except as otherwise stated, use the questions presented in this form as headings in the offering document. To make the document easier to understand, present information in tables.

**5. Date of information**

Unless this form indicates otherwise, present the information in this form as of the date of the offering document.

**6. Forward-looking information**

If the issuer discloses forward-looking information in the offering document, the issuer must comply with Part 4A.3 of National Instrument 51-102 *Continuous Disclosure Obligations*.
